

DRUM SCREEN NH 6020 SEMI-TRAILER

ALWAYS WELL DISPOSED

As an alternative to the NH 6020 H trailer model, Neuenhauser Umwelttechnik also offers the compact trailer model NH 6020 H. The performance, efficiency and ease of maintenance remain high, saving time and money.

The high-quality drum-screen machine is ideal for applications such as biomass processing, wood recycling and soil rehabilitation.

Semi-trailer with brake system and vehicle lighting for 80 km/h as per StVO, with ABS	
Total weight	approx. 18,000 kg
